

EASYANCHOR™ FLORAL CONTAINERS

Updated color and modern matte finish

Classic **fluted** design

Updated Round Feet provide a stable base

Curved Rim for easy carrying and additional surface to attach tape

New & Improved Hook - Visible from the top view, hooks allow easy attachment of wire and tape to secure FōM into the container

TIP Rubber bands make anchoring much faster

FōM that Fits - FōM is designed to fit firmly into container opening.

Leaves room in the bottom for weighting materials like rocks, sand, or cement.

Recyclable

Available in green and white in four sizes. (See back for details)

Our floral container collection offers a stable, durable foundation for every type of floral arrangement. Available in green or white and a variety of sizes and shapes, these understated bases de-emphasize the container and subtly shift the focus to the creative designs displayed within.

Each container has a FloraFōM insert that fits perfectly:

Works with all FōM types!
