

FLORACRAFT.

# *Imagination*

without limits

Made with  
**Recycled Plastic!**

## **A FōM Unlike Any Other®**

- Open-cell structure that is lightweight and great for holding silk flower stems, heavy-stemmed naturals and floral picks in place
- Great for poking, picking, cutting, shaping and painting
- Ideal for any event or floral display, large structure or dimensional décor

## A FōM Unlike Any Other®

Cut it, shape it, paint it, and sculpt it into a unique design that is ideal for any floral or craft project. FloraCraft FōM is available in white and green, and in a varying collection of shapes and sizes, making it the perfect foundation for any project, both indoor and outdoor—**Plus it's made with recycled plastic!**

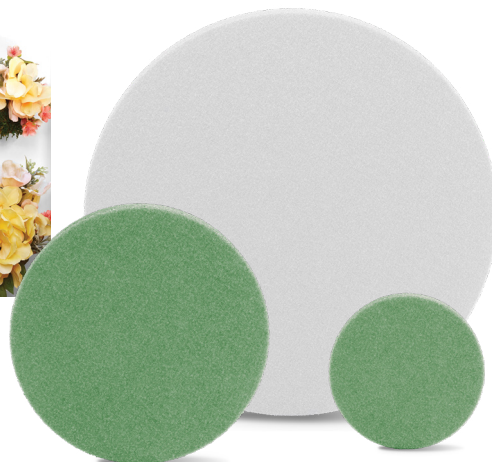

Here is just a sampling of the hundreds of FōM products FloraCraft manufactures every day. For more information on our complete product line contact us at 800-253-0409 or visit [www.floracraft.com](http://www.floracraft.com).
