- Sleek design allows for versatile applications and arrangements
- Folds flat for easy storage and transport
- Black finish can be painted to match any theme

Easily create trend-forward, hanging floral décor with a Fold-A-Sphere®. This high-quality wire sphere is rust resistant and easy to use. Simply separate the wire rings to create a full sphere that is ready to decorate, then fold flat to store for a future use. Easily attach silk, dried or fresh flowers and greenery with florist wire to create a beautiful display.
