

FLORACRAFT.

Strength

for the entire circumference

For Use
with
Fresh
Flowers

Available in two sizes:
12.5 in and 15.7 in

Artesia **WetFōM** 

WREATH FORM

with Paper Maché Tray

- Strong, paper maché backer features a channel around the WetFōM to allow for easier soaking
- FōM spacers keep water from draining to the bottom of the wreath allowing flowers to stay hydrated longer

Float soak wreath form on top of water, paper maché side up and let foam soak until air bubbles stop escaping.

Artesia WetFōM Wreath Form with Paper Maché Tray
