into every occasion

Available in female, male and faceless.

## SmoothFōM<sup>®</sup> HEADS

**Display, design and deliver floral crowns**

- Display floral crowns safely and upright
- Use foam head base to design and build headpieces on
- Transport and deliver fresh floral crowns and other headpieces securely

Female head circumference is 21".

This SmoothFōM head is perfect for safely storing and displaying face masks, hats, wigs, glasses, headphones, floral crowns and more in their upright position. Its durable, EPS foam structure is lightweight and features a hole in the bottom to easily attach to clamps and tripods.
