

# *For Dried, Delicate* and preserved stems

Desert DryFōM is available in green and brown in standard bricks and a variety of popular shapes and sizes.

Desert **DryFōM** 

## Beautiful, Naturally

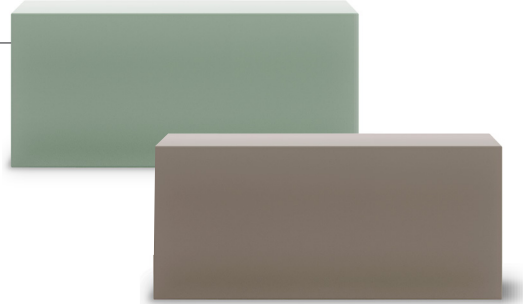

- Perfect for use with delicate dried, preserved or silk stems
- Lightweight and easy to work with
- Superior performance and value

Desert DryFōM® accepts the most delicate dried, preserved or silk stems - at any angle, no picks required. It's lightweight and cuts easily to fit any size container to make quick work of even the most elaborate arrangements. The green and brown colors blend with dried floral stems and moss for a natural look that supports the growing preserved flower trend.
