Each container has molded hooks included on the underside of the lip to attach wire or ribbon securely.

FōM is designed to fit firmly into container opening.

Leaves room in the bottom for weighting materials like rocks, sand, or cement.

Cemetery Vases

Our memorial vases and FōM inserts make beautiful tributes possible. Each container features a sturdy design, neutral colors, and elegant style – plus, our FōM inserts fit perfectly to hold artificial flower stems and heavy-stemmed naturals in place.
